

Deliverable 4 Minutes

Date: March 23, 2022

Time Start: 5:30 pm

Time End: 6:30 pm

Participants: Adam Culver, Branden Raheel, Erin Shenk

Leader: Branden Raheel

Recorder: Erin Shenk

<https://github.com/erinmshenk/SoftwareDevProject.git>

Work completed before meeting: We all read through the deliverable prior to the meeting.

Meeting Summary: We discussed the deliverable in more detail and came up with questions we have about it. We decided on using NetBeans as our IDE and we are either going to use Mercurial or Git for version control.

Assignments: Everyone download NetBeans and Mercurial and get it set up.
